

GRADUATION PHOTO DISC

I will be taking photos of this year's graduation program. This will include events before, during and after graduation such as the graduates preparing for the service, the choir and band, the procession, the Mass, speakers, diploma ceremony and random pictures outside (weather permitting). I will take a picture of each graduate as he/she receives his/her diploma. I have been doing this type of photography for 20 years. I put these on to a compact disc (CD) which you can view on a computer or use to make prints at any photo processing center, i.e. Osco, Wal-Mart, Target, or any private camera company. The CD will be mailed shortly after graduation.

The cost is a contribution to the **Beverly McCleary Scholarship Fund**. My sons and I established this fund with contributions received in her memory and we continue to underwrite the scholarship. A \$1000 scholarship is awarded to an incoming freshman and is renewable each year. It is given annually and this year it is supporting four students at St. Francis. All contributions go directly to the scholarship fund. My sons and I cover the cost of production and shipping. Checks should be made payable to **St. Francis High School**. The amount of your contribution is up to you.

Please complete the form and return to: Mr. Mark McCleary, St. Francis High School, 2130 W. Roosevelt Road, Wheaton, IL 60187. If you have any questions please contact me at mmccleary@sfhsnet.org.

Thank you. It has been my pleasure and privilege to have been a part of you and your children's educational experience at St. Francis High School.
