

DATE:

TO: PARENTS OF JUNIOR HIGH AND SENIOR HIGH SCHOOL STUDENTS

FROM: SCHOOL HEALTH SERVICES, DISTRICT 203

Naperville Community Unit School District 203 and Edward Hospital will again co-sponsor the Athletic Physical Assessment Program.

The program is designed to provide a thorough assessment of potential athletes who are now in grades 6, 7, 9, 10, and 11. Students in those grades are required to submit a physical examination report **prior to trying out** for a sport. Students trying out for high school poms, cheerleading, and flags also need a sports physical. At junior high, poms and cheerleading need the exam. A copy of the report will be given to the students as they complete the exam. **THIS ASSESSMENT DOES NOT MEET THE 6TH OR 9TH GRADE ENTRANCE REQUIREMENT.**

The physical assessments will be held at the Edward Medical Group facilities at 2007 95th St. #112 (95th and Book Rd) and at 1220 Hobson Rd. #104 (one block east of Naper Blvd.). These locations are a change from previous years.

The dates, time and locations of the sports physicals are (allow one hour for physical):

Wednesday, May 27, 2009 5:30-8 p.m. (Hobson Rd.) Thursday, May 28, 2009 5:30-8 p.m. (Hobson Rd.)

Saturday, May 30, 2009 8:30-11:00 a.m. (95th St.) Monday, June 1, 2009 5:30-8 p.m. (95th St.)

Students who would like to participate should call Edward Hospital class registration (630) 527-6363 to schedule an appointment for the physical. Payment must be made at this time. The fees are \$30 per student, \$25/each additional student (in the same family). There will be no registration at school. The student will be given an appointment date and time, and you will be mailed an assessment form and confirmation letter. **The students will not be examined if the health history and parental permission are not completed on the assessment form.** No camp forms will be completed. Appointments can be made now and should be made by May 15, 2009.

For questions regarding the physicals, please call School Health Services at 420-6540. For questions regarding registration, please call Edward Hospital (630) 527-6363.

On the day of the appointment, the student should:

1. Wear gym clothing or shorts. No jeans, please.
2. Bring the assessment form **with the health history completed and signed by parent.**
3. Students should bring/wear corrective eyewear for the vision screening.
