We recommend a deposit of \$400 which should last for the first semester. You may add funds at any time.

The computerized system maintains a record of how your child spends the Sodexo Dining Dollars. You can request an

account history or balance from our Cafeteria Manager any time. We use the student ID card for each purchase, so it is essential for your student to carry their ID card with them when making a purchase.

At the end of the year, any underclassmen's account will roll over to the next year.

Enrolling your student is easy:

Please complete the information below, make your check payable to Sodexo Campus Services, and return during "Orientation Days" or mail both the check and the completed information to:

Don't miss out on the convenience at St. Francis High School

We not only provide **nutritious and wholesome food** for your student at St. Francis High School, now we are offering a convenient prepay meal program called **Sodexo Dining Dollars**.

Don't miss out on this great opportunity to assure your students' food service needs are met! Use it for breakfast, lunch and study hall.

Our debit system eliminates the "morning money frenzy," increases speed of service during the meal period, prevents loss of money, and helps you see where money is spent.

We know you will find this program useful and beneficial, and we look forward to serving you and your student over the course of the school year. If you have any questions or concerns, please feel free to call the **General Manager, Jody Nelson, at 630-668-5800, Extension 1116.**

Try it! We believe you will like it.

Use Sodexo Dining Dollars every day...

- **Breakfast, Lunch and Study Hall**
- **Speed through the cashier**
- **Enjoy the convenience of not carrying cash**
